SUBJECT:— Dismantling the dangerous portions of the Sri Agastheeswaraswamy temple at Ramanathapuram

LAST REFERENCE.

Letter No. 371 dated 5th Feb 1913 from the Dy Commissioner, Hassan District.

In September last the Dy Commr reported that a stone pillar of one of the Ankanams of the Sri Agastheeswaraswamy temple at Ramanathapuram had come down and that two Ankanams also had fallen down. He further reported that

the adjacent portions were in a very dangerous condition, and in view to guard against further danger to the remaining portions of the temple, he had requested the Executive Engineer to arrange for knocking down the dangerous portions

2. The Dy Comm's action in arranging for pulling down the dangerous portions of the building was, with the Dewan's ~~approved~~ orders, approved, and the further report of the Dy Comm with estimate

estimates for repairing the Institution awaited.

3. In his present communication, the Dy Commr states that it is not possible for the Executive Engineer to have a correct estimate prepared before pulling down the dangerous portions of the buildings, and requests sanction to an Estimate for a lump-sum of Rs 500 prepared by the Ex: Engr: for dismantling the portions which are in imminent danger of collapsing.

4. The Dy Commr rejects

that there is a savings of only Rs 261-10-5 at the credit of the Temple and requests that the balance-viz, Rs 238-8-7 may be sanctioned from the current year's State Grant.

The amount of State Grant available is Rs 1165-1-7

Sir,

I have the honor to state that it is reported by the Amildar of Arkalgud Taluk that a stone pillar of one of the antarams in the western portion of Sri Agastheeswara Swamy's temple at Ramanathpur has come down on the 22nd ultimo and that two antarams in the Northern exterior of the same temple fell down on the 1st instant. It is further reported that the adjacent portions are in a very dangerous

Condition

condition.

2—. It being very essential to have dangerous portions pulled down to safeguard against further danger to the remaining portions of the temple, I have addressed the Executive Engineer to arrange for knocking down such portions, as his personal handling being necessary, considering the importance of this big and famous temple.

3—. In the meantime the Architect has been directed to submit a detailed report as regards the condition of the temple after personal inspection and thorough examination of the same, and as soon as I shall address you further communication in the matter.

I have the honour to be
Sir

Sir,

In continuation of this
office No. 172 Dated 23rd September
1902, reporting on the desperate
condition of certain portions
of the Sree Ashteswara Swami
Temple at Ramanathapuram, I
have the honor to state that
the Executive Engineer in his
Docket

Docket no: 17 Dated 28th February (copy hereunto enclosed), has stated that it would not be feasible to have a correct estimate prepared before pulling down the parts in of the Temple which is in imminent danger of collapsing and has consequently sent a lump sum Estimate for Rs 500/ for dismantling the dangerous portions thereof.

2 — The Aundar reports in his no. 36 Dated the 2d. Instant that the amount at the credit of the Temple is only Rs 261-10-5. I request that the sanction of the Government may be obtained at an early date for

the

the Estimate being sent from
the State Branch, and to proceed
further as may be [illegible]
